

MOTOWN Express

It's the musical equivalent of comfort food. Sometimes, you just want to hear it. You need to hear it. You HAVE to hear it! That big brass sound, those killer harmonies, and those unforgettable songs that you know by heart! We're talking MOTOWN music, and no one does it better than Motown Express!

Motown Express is stirring up quite a "heat wave" among party-goers with the fabulous tunes that defined Motown Records. There's no need to "shop around" for any other band! This sensational 8-piece musical group, with a front line consisting of three outstanding lead vocalists, is guaranteed to keep your audience "dancing in the street" and partying to their Motown Sound from the first note to the last.
